***Please LABEL all items brought to camp with CHILD’S FIRST AND LAST NAME***

#### WHAT DO I NEED TO KNOW?

**Drop Off** Rookie Campers will report to the Atlantis Prep School building. Each camp group is assigned a “home base” classroom at the school. Parents will not be permitted in the building at any time. Counselors will be there to escort your camper to their classroom. **Please note that temperature and COVID-19 related screening must take place prior to campers being allowed to enter camp.**

**Pick up** Pick up will be either out front of the Atlantis Prep School or the back door of your child’s classroom. You will be informed of the location on the first day.

**Sunscreen** Please apply sunscreen every morning before camp. A hat is also recommended for sun protection. Full Day campers are requested to bring a spray sunscreen with them to camp as well as we are not permitted to apply lotion sunscreen at this time.

**Illness** Children who are ill should not be brought to camp nor can they participate in camp activities. If a child should become ill during the day, a call will be made to have the child picked up. Our health office is staffed throughout the summer with an Atlantis Prep School Nurse. Any camper exposed to COVID-19 will have to follow quarantine guidelines before returning to camp. In addition, all summer camp staff is certified in CPR, First Aid and Emergency Procedures.

**Rest Time** All full day campers in our 2 year old and 3 year old groups are provided with a 45 minute rest time daily. The classroom lights are dimmed, soft music, story on tape or a short movie is played during this time. Parents are asked to provide a fitted crib sheet or light blanket, a beach towel also works well. Children may bring a soft toy to sleep with, however, bottles are not permitted during rest times or the camp day.

## IMPORTANT FAQ’S

**Q: Are campers required to wear face coverings at camp?**

**A:** All campers age 3-up will be required to wear a mask during the camp day with the exception of snack time, lunch time, water play, swim time, rest time, and outdoor play time.

**Q: Are staff required to wear face coverings at camp?**

**A:** Staff will be required to wear face covering throughout the day except in the pool.

**Q: When are face coverings generally not recommended?**

**A:** Face coverings are not recommended for staff or campers when (1) doing so would inhibit the individual's health, (2) the individual is in extreme heat outdoors, (3) the individual is in the water (4) the individual is resting.

**Q: What is the meaning of a fixed or assigned group at a camp?**

**A:** Campers are required to be permanently assigned to a specific camp group. Camp directors will ensure, to the maximum extent possible, that assigned groups include the same campers and staff each day. Camp directors will restrict mixing between assigned groups and minimize camper movement between groups. An assigned group shall stay together. If interactions with other groups occur, social distancing must be maintained between groups.

**Q: Can camps use all the play equipment on property, including playgrounds?**

**A:** There are no limitations on camp activities other than contact sports. All sports equipment, playgrounds, and other activities requiring specialized equipment at a minimum should be sanitized in between each group's use. Regular hand washing and use of hand sanitizer should be encouraged throughout the day and after activities using equipment. Separate pool, water play and playground times are scheduled to ensure social distancing & appropriate sanitizing time is given between each group. The Atlantic Club will be using 100% non-toxic electrostatic Viking PureSan.

**THERE ARE NO REFUNDS OR MAKE UP FOR DAYS MISSED DUE TO ANY REASON**
